WESTCLOX PRICES RANGE

TRTAIN advertising campages are being consolled or certaind today

, primarily because these advertisers have been spending too much trongy at an effort to get business from uncoponave markets—spending money to advertise to too many people who cannot buy their goods.

In Times Like These Advertising in magazines may not much exembled, but it does much in

every community from court to coast, the hours of those people who concerns today's burner power ... who at all times, and puricularly under present day conditions, are best able to here arbornised myskers. It is because more and more advertisers have come to ending this first than

maratine advertising new forms the basis of all advertises offers for a been number of corporal advertisers in Canada

With a combined circulation of more than yllopous net peed each mean, the five marazines lated on this page movide a consumer of better than eager

Advertuers who are concentrating an enquaries newadays are getting results; they are making sales, they are giving volue which cannot be equally by any other form of advertising at anywhere near the same loss costs.

In Canada the trend in advertising is toward the magazines

from \$8.50

TUNE IN LIFETIME REVIEW Every Sunday Evening 9.45 Eastern Daylight Time National Broadcasting System

Sheaffer Presents TODAY'S OUTSTANDING VALUES

Sheaffer's writing instruments are the outstanding values of the world todoy...

BECAUSE... this hondy desk stand—that holds both pen and pencil—is given free with all Sheaffer pen and pencil sets from \$5.

BECAUSE... this useful golf or hondbag pencil, in addition to the desk stand, is given free with Sheoffer sets from \$8.50; Feathertauch Lifetime's sets from \$12.25. BECAUSE . . . Sheoffer's new 2-in-1
Feathertouch pen writes two ways: hold
it in the usual way for ordinary writing
—turn it over for fine close writing

BECAUSE... this plotinum-chonnel Feathertouch point, olone, casts mare to make than mast entire fountain pens.

BECAUSE... it costs more to build Sheaffer's, the world's supreme writing instruments, than ever in pen making history.
